## Used Household Goods and Personal Effects

---

### Documents Required

- Passport
- Original bill of lading (OBL) / air waybill (AWB)
- Packing list
- Investment license
- Business license
- Letter of employment (foreign diplomat, workers for registered aid organizations)

### Specific Information

- A copy of the owner of the goods' passport and required documents must be forwarded to the agent prior to shipment arrival.
- The owner of the goods' presence is not required for Customs clearance, but the owner of the goods must have arrived in Nepal and be registered with Ministry of Foreign Affairs before the import duty free documents can be processed
- A non - citizen may import used household goods and personal effects into Nepal duty free if they have diplomatic status or are working for a registered aid organization.
- The owner of the goods' employer must provide the agent with an official letter verifying employment and authorizing the agent to handle the shipment on their behalf (foreign diplomats, workers for registered aid organizations).
- If the required criteria are met, only one sea and one air shipment are permitted duty free.
- Returning citizens must submit proof of work overseas with a mention of annual salary in order to initiate the import permit process.
- Returning citizens can import used household goods subject to duty and tax.
- The owner of the goods may bring more than one household effects and one unaccompanied baggage into Nepal within 6 months of their arrival after obtaining permission from Ministry of Foreign Affairs

## Motor Vehicles

---

### Documents Required

- Passport
- Original bill of lading / air waybill
- Packing list

### **Specific Information**

- Used vehicle import is not advised / encouraged
- Diplomats can import used vehicles on the following conditions:
  - The vehicle is at least Euro III Emission standards compliant
  - It will be taken out of Nepal after completion of diplomat's tenure in Nepal
  - If the origin country has an emission standard other than Euro III, then a certificate from a reliable body such as the manufacturer, dealer, or a government body will have to certify that the vehicle's emission standard is equivalent of Euro III
- Non - diplomats and returning nationals cannot import a pre - owned or used vehicle
- Duties may be assessed and are based on the type, age, and engine size of the vehicle (non-diplomats, returning citizens).

## **Pets**

---

### **Documents Required**
